APPRENTICESHIP PROGRAM

G.J. Hopkins has one of the largest registered apprenticeships in Southwest Virginia. The program was created in 1995 and offers enrollment in three trades: electrical, plumbing, and sheet metal. In 2019, we began our student program and started offering an online option for electrical and plumbing. Both have been received well and have active participation.

SERVICE OFFERINGS

VDC/BIM coordination, prefabrication, design-build, LEED/sustainability, MEP service, controls, special projects

CORPORATE DESCRIPTION

G.J. Hopkins has provided reliable, top-quality service since 1958 and is one of Virginia's largest and most respected mechanical, electrical, and service contractors. As a 100 percent employee-owned company, we maintain a staff of dedicated, experienced personnel who are committed to the highest standards of integrity and performance.

Functioning as a wholly owned subsidiary of the Branch Group, we serve clients in Central and Southwest Virginia.
